CMPMO No. 148 of 2007.

12.7.2007 Present: Mr. Naveen Bhardwaj, Advocate, for the petitioner.

Both the Courts below by a proper appreciation of evidence have correctly returned a finding that the respondent did not owe anything to the plaintiff and, therefore, the plaintiff's suit for recovery of the money against the respondent was rightly dismissed. No interference is called for. The petition is dismissed in limine.
